ECONOMICS MADE INTERESTING

Patricia Croft

To understand where we are and where we are going, we first must understand where we have been. Independent economic analyst and frequent media commentator Patricia Croft returns to CPBI Atlantic by popular demand. With over 30 years experience at the epicentre of Canada's financial industry, she will share with us her expertise in global macroeconomic analysis, looking to the past and to the future to explain the implications of market developments for investors and for the country.

PANEL SESSION - FRIDAY MORNING 10:15 am - 11:45 am

TOWN HALL MEETING ON RETIREMENT SECURITY

Will you or your employees ever be able to retire in this rapidly evolving political and economic environment? If so, will it be a secure retirement? This interactive panel session, with leading industry experts with various backgrounds, will help you gain a better understanding of the practical steps that employees and employers are likely to take, or need to take, to meet their retirement objectives and obligations.

Join Keynote Speaker Patricia Croft along with panelists including Linda Silas, Canadian Federation of Nurses Unions, Patrick Oland, Moosehead Breweries and Paul McCrossan of the New Brunswick *Task Force on Protecting Pensions* for their insights.
