

Learn to address inappropriate workplace behaviour before it becomes a legal issue.

Workplace Investigation Training for HR Professionals:
October 7 - 9, 2014 in Halifax

2-Day Basic Workplace Investigation Techniques

Start by learning the key components:

- » What circumstances trigger an investigation
- » Whether an investigation should be conducted internally or externally
- » How to determine your mandate
- » What to include in pre-investigation communications
- » Who to interview, and in what order

1-Day Report Writing Workshop

Master report writing:

- » How to write a thorough and defensible report that will 'stick'
- » How to organize your report and what to include in it
- » How to deal with credibility issues
- » How to deal with tricky evidentiary issues
- » How to avoid common reporting pitfalls
