

INNOVATE 2017: NEW HORIZONS IN COACHING,
is a conference you'll want to experience!

There is so much going on the world of professional coaching. This summit is a great opportunity for you keep pace with the developments in scientific research into the artistry and effectiveness of coaching, and the increasing range of contexts where coaching is being utilized as a critical competency in personal and professional development.

If you or someone you know are a professional coach, a human resources practitioner, a psychologist, social worker, counsellor, mediator or interested in learning more about the profession of coaching and its benefits - **THIS CONFERENCE IS FOR YOU.**

We are thrilled to have **Ann Betz**, CPCC, PCC, CNTC, as our opening keynote speaker. Based in Santa Fe, New Mexico, Ann is the co-founder of BEabove Leadership, and is a sought after international speaker and trainer on the intersection of neuroscience, coaching and human transformation.
